BOOK EXCERPT

I would like to begin this journey, by defining the word reboot. Somebody say REBOOT.

You must excuse me because this book was initially a sermon, then the Lord gave me the instructions to turn the sermon into a mini book. What you are holding in your hands and reading right now, is the result of my obedience to God and me stepping out by faith.

In early May 2020, the Lord gave me the word REBOOT. Then, I kept hearing it in my spirit. Now, I am very sure that we have all heard this word before. It is not new. Sometimes we must reboot our phones, reboot our tablets, reboot our computers, reboot our laptops and reboot other devices. And, sometimes we just might have to reboot our lives and our plans.

Somebody say it again REBOOT. I need you to be familiar with and remember that word. Praise God!

In the last couple of months, many programs, events, services, activities were forced to close or shut down for a brief period, due to the COVID-19 global pandemic. Now, slowly but surely, a lot of things/programs are resuming; and we are hearing of the “new normal”. I believe that God was/is doing a reboot!

God is rebooting the churches.

God is rebooting the school system.

God is rebooting the government.

God is rebooting your workplace.

God is rebooting your business.

God is rebooting your family.

God is rebooting your life.

God is rebooting your year.

God is rebooting this decade.

God is rebooting your purpose.

God is doing a reboot!

Somebody say REBOOT. When I received that revelation, I was speechless, I said my God, my God.... REBOOT.
